WELCOME TO DESTINY

Every learner has a destiny worth nurturing

Destiny Premier Academy began in May 2021 as Destiny Shapers Academy, founded by three directors who believed that education remained the best investment a family could make, even in the hard times after the COVID-19 pandemic.

Five years on, we are one school across two campuses with more than 1,200 learners, a dedicated team of teachers and support staff, and a growing record of academic success — including being named the best school in Nakuru County in the KJSEA, where we placed 61st nationally.

We grow the whole child: strong academics through the Competency-Based Curriculum, Christian values, and talents discovered through sport, music, clubs and leadership.

Our Vision

To promote high-quality education in a safe and respectful environment which celebrates diversity and fosters lifelong learning with integrity, cohesion and hard work.

Our Mission

To create a respectful and stimulating environment where all learners, regardless of their backgrounds, can achieve their full potential while promoting their spiritual, emotional and physical wellbeing.

> *"Education is a partnership between the school, parents, and the community. DPA remains committed to providing an environment where each learner can develop strong academic and moral foundations, guided by our motto, 'Striving for Greater Heights.'"*
>
> — Tr. Vincent Osoro, Director, School Operations

ACADEMICS

One continuous CBC journey, four confident stages

Kindergarten PG · PP1 · PP2

Play-based, activity-rich learning in language, numbers, creativity and the environment, building confident readiness for Grade 1.

Lower Primary GRADE 1 – 3

Strong foundations in reading, writing and numeracy, with English, Kiswahili, Mathematics, environmental and creative activities.

Middle School GRADE 4 – 6

Critical thinking and practical science, Agriculture & Nutrition, Social Studies and Creative Arts, preparing for the KNEC KPSEA in Grade 6.

Junior School GRADE 7 – 9

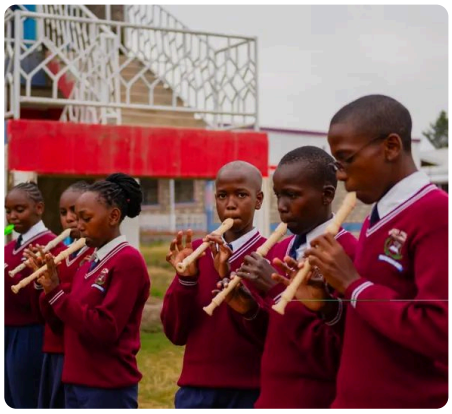

Integrated Science, Pre-Technical Studies and the full CBE learning areas, with career mentorship for Senior School pathways after the KJSEA.

How we teach and assess

- ✓ TSC-registered teachers with personal follow-up
- ✓ Smart boards, digital projectors and internet
- ✓ A computer lab for digital literacy
- ✓ Science practicals and an annual science fair
- ✓ Continuous assessment and termly report books
- ✓ Academic clinics to meet teachers one-to-one
- ✓ Targeted support and enrichment work
- ✓ KPSEA (Grade 6) and KJSEA (Grade 9) preparation
